

AAERI Announces Exclusive Arrangement with LiveEnrol

AAERI are pleased to announce that we have negotiated an exclusive arrangement that permits **AAERI members only** to apply for approval for use of the LiveEnrol service.

LiveEnrol gives access **to over 50 of Australia and New Zealand's best institutions** through a single online portal, without having to have a separate agency agreement with each one. You can track enrolments and make payments all in the one location. And most importantly, **it's free for AAERI members!**

Recently, Danny Bielik, the CEO of LiveEnrol presented to the AAERI AGM in New Delhi and also made presentations to AAERI members in Chandigarh and Ahmedabad. If you missed those, you can find out more about LiveEnrol on their website at <http://liveenrol.com> or blog at <http://liveenrol.wordpress.com>

If you are approved, you will receive:

- A login with access to search for courses and enrol students at over 50 institutions in Australia and New Zealand (with more being added all the time)
- The ability to create logins for each of your staff members
- A simple messaging system to manage communication with institutions
- A LiveEnrol-Approved logo for your website and stationery
- Faster applications, faster commissions, faster letters of offer

Importantly, you must maintain your AAERI membership to remain LiveEnrol-Approved. AAERI's exclusive agreement is non commercial and AAERI will operate as non judicial governing observer.

Say goodbye to agency agreements, say goodbye to lost applications and lost payments and say goodbye to your fax machine. LiveEnrol is here and it will change the way you do business for the better.
